

## Price Protection Plans... Shielding your money from rising costs.

Our most popular options include:  
**Pre-Buy or Easy Pay**  
and you can choose to **Cap** either plan!

What does "CAP" mean?  
A CAP plan offers you the assurance that you will never pay more than your CAP price, but gives you added protection that if the daily cash price is lower than your CAP price, you are billed the lesser of the two. \* CAP fee applies.

**No matter which option you choose... You Win!**

**Details & Opportunity for enrollment into our 2018-2019 Price Protection Plans are Coming Soon!**

Heating • Plumbing • Electrical • Home Cooling • HVAC • Oil • Propane • Natural Gas Services • Water Treatment

# TANKSHIELD

Since 1888, AFC has worked tirelessly to build a reputation of providing dependable and professional service.

With that in mind, we are happy to offer our customers in Central Maine a wide selection of Comfort Agreements, which includes our TANKSHIELD agreement.

For a small yearly cost, TANKSHIELD guarantees oil tank replacement in the event of a leak, at no charge.\* Not bad considering that the cost of replacing a leaking oil tank can be a significant, unplanned expense! Sign up for low-cost, high protection TANKSHIELD today! \* Contact us for details.

The AFC logo consists of the letters "AFC" in a bold, white, sans-serif font, centered within a dark blue oval. This oval is surrounded by two concentric, curved lines in light blue and orange, creating a dynamic, swooshing effect.
